

WOMEN IN WAR *Teacher Resource***ACTIVITY 4: Letters To or From a Female Soldier****Description:**

In this activity students will compose letters either to or from a female soldier from an era in history of their choosing or the present. Students are to incorporate information gathered over the course of this unit to bring their characters to life.

Materials:

- Copies of assignment, planning sheet, and rubric.
- Paper and writing utensils

Procedure:

1. Hand out and review the assignment.
2. Have students complete the planning sheet.
3. Have students compose rough drafts and edit them.
4. Have students create final copies of their letters and allow students to share their letters with the class.

Assessment:

Create rubric with student input.
