

The Cold War: 1945 – 1991

Activity: Surviving in a Bomb Shelter

Task Description: In this activity your group will make 2 lists. Upon completion your lists will be evaluated on inclusions and omissions.

The first list (Part A) will state the main threats to your group's survival in the event of a nuclear blast. The second (Part B) is a list of supplies required by your group to survive for 2 weeks in a bomb shelter while overcoming the threats given previously. The survival supply list will have 3 sections: Absolute necessity, very helpful, and luxury items (only 2 luxury items permitted).

Directions: Complete the following worksheet as a group.
